

Men Art 2025 Paris

Men Art Fair

Men Art Fair returns to Paris as a platform dedicated to modern and contemporary art from the Middle East and North Africa, bringing together galleries, institutions, and collectors. The fair focuses on work that reflects the region's diverse artistic practices and histories.

This year's edition takes place at Palais d'Orléans, offering a program of curated exhibitions, talks, and collaborations. Alongside gallery presentations, the fair includes a non-commercial section featuring independent initiatives and archival material, creating space for critical reflection and alternative narratives within the regional art ecosystem.
