

34 GALLERIES, 18 COUNTRIES, ONE QUESTION: “WHERE IS HOME?”

From October 23 to 25, 2026, Menart Fair returns for its 7th edition, centered around an essential question: “Where is home?”.

Rich in its many resonances, the term “home” opens up in French a sensitive exploration of the different forms of belonging it evokes. Is it simply a place? Can the mere depiction of a house, a territory or a point of return fully capture its depth?

The question has no single answer. Instead, it opens up a space for plural narratives, overlapping layers and multiple ways of inhabiting the world.

Bringing together 34 galleries from 18 countries and more than 100 artists - 45% of whom are women - the fair offers these artistic scenes increased visibility in the heart of Paris. More than ever, art stands as a space for dialogue and exchange, bringing together an engaged community around these increasingly recognised artistic scenes.
